

Endurance 48

Endurance Class 48 ft Staysail Ketch.

7 berths. Fabulous Burmese teak deck. New propeller, shaft, and flexible coupling. Long keel only draws 6 feet, with great directional stability. Classic good looks: purposeful, and moves beautifully.

Spacious practical accommodation with much stowage. Double master cabin. Roomy forecabin has berths for four. Forepeak holds sails and sailing gear separate from accommodation. Large galley, full-sized chart table and saloon all housed in the mahogany wheelhouse, giving all-around views. Diesel heater (with hot-press) and a solid fuel stove allows all
